“ *Brother,
When I heard that you had left us, so many emotions overwhelmed me. The times we spent together, the fun, the jokes, the good and bad we shared with each other. The times that everyone knew when Sam, Joe, Charles and Ruben where together something was going to “happen”. We drove around town listening to music, playing basketball and just enjoying life. Those are times I will always cherish. This is “Dedicated to the Homie Gangster Lean ...I Tip My 40 to Your Memory...”.
You will always be in my memories and you will forever be in my heart.... I love you brother..... until we meet again....
