“ *Monica and brothers, saw this on the site. I was a teen age friend of your mom. Her and I shared such a special friendship. We made so many memories and laughed every chance we got with our girl craziness! Virginia, your grandmother, tolerated our silliness and sometimes scolded me like I was her own. Those were the "Good Ole Days" May God watch over all of you during this very hard time in your life. All my love and prayers to each and everyone of you!*
