“ Dear Cousin Sandy, we will miss you.

I am so glad Kathy & I got to spend a few days with her in Roswell a year ago in June.

Even though we knew she had to not be feeling well, she showed us around and freely gave of her time and energy. We had lunch at Los Serritos and dinner at the Cattle Baron and a long visit with Uncle Junior at the house on Hondo Dr.

Sandy and I were within a few weeks of the same age. Both Kathy & I had pleasure playing our phone games and sending coins and spins back and forth with her. A silly but pleasant connection across the miles.

We send our thoughts and prayers to all the family at this time of loss and our love and best wishes to you all.

*Dear Mary and April (and family members),
Sandy was a dear friend to us for many years. She got me through lonely times while Gary spent weeks away with the military. We shared recipes, plants, stories, and dreams. Gary and I were able to trust Sandy with our treasured children but she taught me the meaning of the word "friend". I'm so sad I twiddled away our connection once she moved away. She loved you all dearly. That I know from the depth of my soul.*
