November 4, 1982 - July 16, 2009

Sanya Marie Estes passed away on Thursday, July 16, 2009 in Lubbock, TX. She was born November 4th, 1982 in Roswell, NM. Sanya was a bright shining star in her family and friends lives and will be dearly missed by all who knew her. Services will be held at 2 p.m. on Wednesday, July 22, 2009 at Anderson Bethany Funeral Home with Pastor Rick Hale of Grace Community Church officiating. Sanya attended school at ENMU-Roswell, and received a Pharmacy Technician Certificate in 2005. She continued her education, attending Midland College. Through hard work and dedication, she graduated with an Associates of Science Degree in Diagnostic Medical Sonography in May, 2009. Sanya's interests were many, including cruising around listening to her music, snowboarding, and traveling. Sanya traveled from Alaska to New Mexico to Ohio. Wherever she went, her loving nature and personality guaranteed a friend. Sanya loved to dance. Her dogs, Cobra and Diamonds, were her babies. Her niece, Shayleigh, was her passion in life. Sanya (or Sancha, as many of her friends and close family referred to her) will be deeply missed. Her passing has left a very large hole in many hearts. Sanya was a very passionate and loving young woman who embraced her family and friends. She was quick to protect them, especially her beloved grandparents Grampi and Gramma. Sanya has joined her parents, David Timothy and Teresa Rose, in heaven. Sanya is survived by her sisters Crystal, Sanda, Mary, and Jessica; brothers David and Brandon; grandparents Dave and Jane; favorite aunt Leona; her dearest best friend, Janell and many other

loved aunts, uncles, nieces, nephews, cousins and friends. This is not
goodbye, Sancha, just 'See you later'! Please share your thoughts and
memories with the family in the online register book at andersonbethany.com
Services are under the direction of Anderson-Bethany Funeral Home and
Crematory.

“*To the family of Sanya,
I only knew Sanya for less than 2 years but she made a big impact on me and I'm guessing everyone that she came in contact with. You have so much to be proud of. Her gentle loving nature is what you are taken with at first and then her determination to succeed at whatever prevailed. I worked with Sanya at the hospital during her ultrasound schooling and it was very much a joyful experience. I want to share with you how happy she was when she got to see all of her sisters at Christmas time even though the occasion was not a happy one she still found comfort in being with her family. I really enjoyed the pictures of her with her sisters and the rest of her family because I know how happy she was in those pictures. You girls are all beautiful and I wish I could know you better. I pray that you will find comfort in the blessing of having her in your life even though it wasn't long enough and that the memories of that beautiful smile will grace you forever.*

“ My thoughts and prayers go out to the family. I am lost for words, I can't explain exactly how I feel right now.....
I had the privilege of meeting Sanya at Roswell Job Corps. There was a large group of us who hung out together, but Sanya's bubbly personality just stood out from everybody.
She will be missed.

“ Sanya,

Though Cole and I had only met you a few times, and in those few times you have left an amazing spirit in us. Your love, friendliness, and compassion will never be forgotten. You have an amazing and beautiful spirit and you have touched every single person that you have met.

Please remember that you were an amazing, kind, warm hearted young woman, that now no one or anything can hurt you. You had an amazing drive and we are all sad to see that you have left us so early in life.

We will miss you dearly, and I especially will miss you calling me Momma.

We know that where you are now, means no more hurt, anger, and despair. Only kind-heartedness, forgiveness, and never ending love. We send out our condolences to Sanya's closest family and friends. We will all miss you so much.

Like what has been said before, this isn't goodbye, it's just see you soon, and Cole and I look forward to seeing you!

Our thoughts and prayers go out to everyone who knew Sanya.
