Her family would like to thank the ICU Staff at ENMMC, Interim Home Health/Hospice for their care and compassion, and all of the family and friends who have been there to love and support us in the last few weeks.

Sarah will forever be remembered for her kindness and love she always gave. To my children,

I gave you the best parts of me- my love, my prayers, my sacrifices, and my sleepless nights. I wasn't perfect, but every choice I made was driven by one dream; to see you safe, happy, and strong in a world that isn't always kind. If love could be armor, mine would protect you forever. If prayers could build wings, mine would help you fly higher than fear. You are my miracles, my strength, and my proudest story. My heart beats in everything you become. I love you beyond words, beyond time, beyond this life.

Always and Forever
