

Sarah Stillson

July 3, 1970 - April 25, 2012

Sarah T. Stillson 41, passed away Wednesday, April 25, 2012 at her home in Roswell, NM.

She was born July 3, 1970 in New London, CT, the daughter of Spencer and Eileen Trombly. Sarah was a member of the Flanders Baptist and Community Church in East Lyme, where she married the love of her life, Brian Stillson, who preceded her in death.

She is survived by her parents; and three sisters, Lorraine Ochoa of Tucson, AZ, Amy Jones of East Lyme, CT and Ruth Berenji of N. Hollywood CA.

Sarah possessed an enthusiasm for people and animals both. Her many friends ranged in age from small children to senior citizens, whom she met with daily on her paper route. Her great compassion for those who suffer led her to extend love and mercy to everyone she met.

She received degrees at Mitchell College in New London and the University of Cincinnati, Ohio.

As a child, Sarah enjoyed life catching crabs at the beach, clamming at low tide, or happily commiserating with her adored sisters, and cousins. Her sense of adventure led her to experience many wonderful times and occasions. She was a bright light in many lives and will be greatly missed. "True compassion leads to sharing another's pain; it does not kill the person whose suffering we cannot bear." –Pope John Paul II

“ Sarah, words seem inadaquate. You deserved so much better yet you persevered.
I think of you always; how you are doing if you are okay. I wish we could have shared some laughs in person again just one more time.
You are a true friend and I will deeply miss you.

“ Sarah, even though we had worked together just for a short time. The time I did spend with you showed me that the human spirit is so strong and amazing and wonderful. Your spirit was always warm and raised others around you as a phenomenal woman. We love you and will miss you.

“ We are so sorry to hear about Sarah's passing. We met Sarah when she worked at Liberty Veterinary Hospital in Ohio. Sarah was such a caring, loving, and funny person. When my cat, Sam (Mr. Sam as she called him) had to undergo a risky surgery, she basically spent 24/7 with him at the vet hospital during his recovery. She was the reason Mr. Sam did so well post surgery as she just smothered him with care and love - as she did with all her friends, furry ones too! We were blessed to call Sarah our friend throughout the past 10 years. She will always hold a special place in our hearts.

“ My heart goes out to Sarah's family at this time of her 'final graduation' . May wonderful memories of her free spirit, kindhearted & wise nature, give you all comfort in the times of adjustment ahead. She was a gift to my life, personally, with her zest for animals, kindness, quirky sense of humor (Oye!) and thoughtfulness. A blessing! I'll keep you all in my prayers as time moves ahead. Big Hugz!

“ I loved my sister dearly throughout our lives together and will never forget what a unique, lovely woman she was. She experienced the same sorrow we are feeling now when her Dear Brian died suddenly in June 1999, and suffered deeply from it. I always wished I could somehow relieve that for her, but all I can do now is hope, pray and believe that she has finally achieved the peace she so desperately needed and is now reunited with him. I shall miss her always.

“ Sarah was a special person and touched the lives of so many people. I was blessed to be in her life at the end. We brought each other a happiness that neither of us had felt in a long time. We love you Sarah and will miss you dearly

“ God needed someone very special to help with all the "critters" and especially the cats. He wanted someone who's love for animals glowed so bright that He was almost blinded by it. He chose Sarah and we will miss her, but she is finally where she wanted to be, with no emotional or physical pain. Sarah always has our unconditional love, thoughts and prayers.

“ Sarah was my first cousin although I haven't seen her since she was in her late teens. I remember a mischievous twinkle in her eye (just like AMY!). And, her pet snake, Monty, whom I avoided at all costs when we visited on North Washington Street. For her young age, she had a heck of alot to deal with in her short time on earth. Now hopefully she is with Brian enjoying a NEW adventure.
