“ *I don't know Baby Sean or his family but I do share his birthday. Recently, I became a grandfather for the first time and my grandson is now four months old. The limited time that I have with him because of a distance of 300 miles, is a gift from God. Your son is now with God and is waiting to be reunited with his loved ones. The time that you had with him was a gift from God.*

My condolences.
