“ To: Sergio's family
Sergio not only worked for Subway but was made a manager at 20 years old. He loved his store and was so proud of his accomplishments. He was loved and respected by his staff, his fellow managers and the owners of which I am one. He worked hard and was a credit to our organization. He was not only an employee but he became part of our family. We loved him and respected him. WE WILL ALL MISS HIM DEARLY. He was a very special person whom I will never forget. God bless his family and my prayers and thoughts are with you.EQ
