“ *So many memories with Sherry growing up through the years. Laughing together, wrestling, talks, and loving family together. One of my fondest memories was when she gave me a wooden cross to come home to Tennessee with; it was to keep the Lord close to my heart. Sherry had her moments but her heart was always good as were her intentions. I called her sister and friend cause she was all those things to me. She will be missed but not forgotten. Rest in peace and save me a spot close by, love you Sherry.*
