“ Angie, Susan, and Ken:

I am so sorry to hear of the loss of your mom. I know how hard it is to lose such a special mom as your mom was. I remember meeting "Aunt" Shirley and you all when she and Uncle Charles got married. She was always so sweet and kind to me. I remember getting to babysit Angie a few times when we were both much younger. I just know that anytime and anywhere I saw Aunt Shirley, she always had a big smile and a hug for me. That always meant so much. God Bless All of You and may He comfort you in His love and wisdom. I know your mom will be up in heaven watching over all of you.

Love to you all!

“ My sincerest sympathy at the passing of your mother. When we were growing up, your Mom always made me feel welcome in her home. She was an extremely kind and special lady. I know her life wasn't always easy and at times was filled with sadness, but her love of all her children was always so apparent and gave her such happiness. I was deeply saddened to hear of her passing. My thoughts and prayers are with all of you. I hope your fond memories of life with your Mom will ease the pain and give you comfort.
