“ Shirley was my sister-in-law when I was a kid. I remember that she was beautiful and fun loving. Love, DeWayne

“ Vashti Please accept my sincere condolences. Although we have been out of touch for many years I think of you still. I had not heard anything of Shirley for many years and did not know she had remarried to her old school mate John Avey. I know they always thought a lot of one another and I am glad they found happiness together. I was also unaware that Debra had passed away. I apologize for being such a poor ex-brother in law. Please contact me when you return to El Paso. At your convenience, I would like to meet with you and talk about past events.

Again my condolences to all.
