Anderson Bethany Funeral Home and Crematory is honored to be chosen to serve Sirina's family in their time of need.

Nurtured by time, through the highs and the lows
The love which is theirs ever deepens and grows
And both turn more patient as days become years
Growing older and wiser through gladness and tears
They cling to each other in times of despair
Taking comfort in knowing that the other one's there
Providing support with a look or a touch
It's the littlest things that to them mean so much
Deeply concerned with the ones they hold dear
They mark birthdaydays and holidays
All through the year
Building family traditions each step of the way
Sharing good news and bad as they go day to day
They're a Mother and daughter and right from the start
They were "forever joined" in a place of the heart.
And a lifetime of love they willingly give
You'll enhance and sustain them as long as they live.
