“ My mother Ursula has always told us that we will be blessed if we touch at least one person in our lifetime. Sophia has touched every person in her life in one way or another. We were also told by our mother that every good deed you do, you are adding a brick to your house in heaven. We have no doubt Sophia has a castle in heaven, for all the good deeds she has done in her life. Everytime Sophia and Pete come to our house my mother's eye light up. Sophia is irriplaceable, she is one of a kind. Thank you for loving us, and taking good care of us. Pete and family we are praying for you. Please allow us to be there for you, just like you have been there for our family. God bless you.

“ People come into our lives for different seasons, and for different reasons. Precious Sophia let me know the day she met me our relationship would be for eternity. Precious Sophia called me her "Chiple" which means spoiled in spanish. I have truely been spoiled by precious Sophia and my precioso Pete. I have a feeling I was not the first stray that Sophia brought home, because Angel, Nadia, and Michael all made room for me and my four sons in their life. My precious Sophia I will never forget you, and I thank God for allowing me to be loved by such a special woman. The Hernandez Family is in my prayers. I love you!! If you should need me, I only a phone call away!!

“ Our thoughts and prayers are with you and your family. Even though, we did not keep in touch after we left Yuma, Cesar and I have never forgotten your family. We lived on Anderson Loop and from time to time and after taking care the children Sofia and I were able to visit and share the daily rigors of being a military family -- and thanks to you all we met Mary Elizondo (Garay) and we became good friends. Our deepest sympathy, thoughts, and prayers are with you and your family – Cesar, Belinda, and Family (Felipe, Orlando, Jamie, and Cesar Roman).

“ My prayers are with you all. I don't think you know me, but I am your cousin. I hadn't seen Sofia in a while, but when I did talk to her, she allways had that smile. She did love those cigarette and coffee like all of her tias. Just 2 of the sisters didn't smoke. I guess that was a Salcido thing. Its not going to be easy the days ahead of you, but our prayers are with you. You will allways have the memories.

“ Pete and Family:
My heart is filled with so much emotions. Mrs. Sophia was like mother to me, she taught alot about life, and especially how to control my "language". She used to always tell me "LITTLE GIRL, WHAT AM I'M GOING TO DO WITH THAT MOUTH OF YOURS" Mrs. Sophia was a girls bestfriend, and wished every girl had her as a mother. Mrs. Sophia touched some many people around her, including myself and my family. I will always keep her and your family in my "HEART" forever. Pete, Angel, Nadia, Michael...Thank you so much for sharing Mrs. Sophia with me and my family, I am truly blessed, and will miss her!
