

Stacey Howell

January 20, 1968 - April 28, 2024

Stacey Howell, 56, passed away on Sunday, April 28, 2024, in Roswell, New Mexico. Please take a moment and share a kind thought or memory with Stacey's family at www.andersonbethany.com.

Stacey's memorial service will be held on Saturday, June 15, 2024, at 11 am in the 180 building at Church on the Move.

On January 20, 1968, Stacey Howell was born to Douglas and Patricia Howell in Englewood, California. She attended Roswell High School where she graduated. Stacey was a boot scootin, slot pulling, karaoke singing, bingo calling, Jesus loving type of gal. Stacey was the life of the party, never a dull moment with her around. Helpful, kind, and outspoken as she was confident within herself. She had many friends, never knew a stranger. Her favorite past times were attending Church on the Move, hitting the slots at the Eagles, going to bingo at Sertoma, and just hanging out with friends and family. Stacey was loved by many and will be very missed.

A special thank-you to the staff at Mission Arch for all the love and care shown to my aunt and our family.

Stacey's tribute was lovingly written by her family.

Good morning my name is Katrina I've met Stacey at the mishion arch my husband and i would go visit with her and she made us lunch also she had asked me to make a bracelet for her and i said sure i can so i asked her what is your favorite color she said red so i made her a red bracelet with her name and it had two charms on it the red lady bug and a red rose on it. She loves it very much and i told her she is very welcome. Also she was playing the game of pool game with my husband at eagles which was pretty cool to watch. Also Stacey became my best friend very sweet lady to talk with I would text her or call her then have a conversation but yet I was laughing when I was talking with her on the phone but when I saw Stacey at the nursing home she told me that she has dyed her hair red and purple witch is a pretty cool color together. I must say Stacey will be missed I miss her very much.
