“ Stefan was a student at Roswell High when I was teaching there. I've ALWAYS remembered his beautiful smile. My favorite memory of him was when he was a sophomore. I sponsored the spirit club at RHS and we rode in the bed of a pickup during the homecoming parade. I was sitting on the tailgate and Stefon waved from the crowd. He asked if he could get in the pickup. I told him sure as long as he can do it safely because we weren't stopping. He smiled and stepped on the tailgate like it was street level. To top that off he acted like it was no big deal. Such a nice young man. I'm praying for his family.
