

Stephanie Lopez

March 31, 1971 - February 18, 2021

Stephanie Lopez, 49, passed away unexpectedly at her home in Roswell, New Mexico, on Thursday morning, February 18, 2021. Please take a moment to share a kind thought or memory with Stephanie's family at www.andonersonbethany.com.

Stephanie spent most of her life in New Mexico but would fondly recount her childhood in Idaho. Her work life was primarily in auditing, but she would self-proclaim her time as a professional photographer as the highlight of her career. Stephanie would identify herself as a photographer and a mother. She had interests outside of photography, some include antiques, reading true crime novels, and watching sci-fi movies, and she especially loved Pearl Jam and music. Stephanie was a Los Angeles Lakers fan. She was an animal lover and would feed stray cats. She is remembered for her strong personality, unique sense of humor, and intelligence to those who knew her. Stephanie was a crucial pillar to her family's structure and will be exceptionally missed. Those left to cherish memories of Stephanie are her husband, David Lopez; children: Nick Lopez and RayAnn Lopez; two sisters, three brothers, fourteen nieces and nephews; as well as her precious pets: Lady, Levi, and Scary. Stephanie is preceded in death by her parents, Richard and Margaret Mitchell. Stephanie's tribute was written in her honor by her family.

“ My sister, like another mother to me. You chose to be a constant in my life when you didn't have to. You supported me in just about everything I did. You were at just about every basketball game soccer game and if I would have played any other sport you would have been there too. I love you sooo much and will miss you forever after forever. I'm sorry it's taken me so long to say anything on here but it's been so hard to believe that you are really gone. Thank you for everything you taught me. You are one of my heros. I'm glad you are no longer hurting but I sure wish you were here.
Love always your favorite sister(lol)
Erin Blythe Mitchell or Nire as you would say!

“ My mom was a great mom. She wasn't prefect but she did her best. Mom you left to soon. I still needed you. I'll try my best to be someone you'd be proud of. You deserved so much better than what you got. I'm happy your no longer in pain, but I wish I could just talk to you again. I'll try to remember everything you taught me. I love you so much. I'm so sorry.
