“ My deepest sympathy to both the Reynolds and Steven family. I've known Stephanie since she was a little girl. I've been gone for years now living in California. I've lost touch with so many friends in Roswell and am so sad to hear of Stephanie passing. I used to bowl with Carla and Jerry and went on several camping trips back in the day. I also was a member of the Eagles and met Mary and Ernie there. We had a lot of good times with the kids growing up. Again, my condolences and prayers are with all of you.
Love, Susie
