Stevie enjoyed spending time with his girlfriend Zayleen, his mom, sister, his brothers, and his cousins. He was close to his cousin Joseph "Lil Joe" Garcia and Juan "Jr." Herera, but he loved all his cousins on both sides. His mom Serena was his first love, he adored his mom, his second love was his big sister Jasmine, his brothers and him have always had a solid bond with their big sister, they have always been there for each other, his third and only true love was with and for Zayleen Vale Zyberg, whom he met and fell in love with two and a half years ago. A year and a half after they were finally able to get their own place which they've had together for eleven months.

Stevie recently acquired his first vehicle, and he was proud of his (Ranger) truck and enjoyed driving around in it.

Stevie was well known for his "smile" which most of the time people, even relatives, could tell him and his twin Miguel apart.

Stevie you'll be missed by all of us so much but trust and believe you'll never be forgotten; we will all keep you alive in our hearts through all the memories

we have of you. Stevie, we love you always.
