“ *I remember Wag as I called him. from playing in the Gus Maker Tournament. That's where our friendship was initiated, it then went from there to Hike It and Spike It. Although we only saw each other during the times of these events, our friendship grew spiritually. Whenever we were together our expressions for God's love and salvation He graced us with were key to our friendship. As brothers in Christ we have a higher hope than non-christians. . So I know we'll see each other again over here in Glory. I miss you Wag but have good memories bruh until we meet again. Blessings to you family!, Shalom!*

“Wag was family to many of our youth at the Roswell Boys and Girls Club for many many years. A role model, leader, friend, mentor and most of all a great person. He was a big part of many of our Boys Club memories that will never be forgotten. The trips camping, going to six flags, the sleep overs at the club, our trip to Westpoint were just a few memories that we shared with Wag. He and my dad worked together for many years at the Club and I am so glad that I was able to spend so many memories with him growing up. May he rest in peace. My condolences to the Wagner family.

*Ernestine, Sayku, and Josiah and Family,
Want you to know that Wagner Family and Hunter Family go back even before Steve was born. We grew up going to church and Middle School together. He went to RHS while we went to GHS our family love stayed the same and our families will always share one another's pains, trials, and tribulations. His LOVE for the LORD goes without saying. Trust in JESUS for your strength and encouragement. You are in our prayers,
The Hunter Family*
