

Steven James

July 24, 2015

Steven James, was welcomed into this world on December 25, 1983. The best Christmas present you could ask for. He went home to be with his Lord and Savior, and his dad, Gary James, on July 24, 2015, after battling a lengthy illness. He was 31 years old.

He worked at Neeley-James Office Supply for many years, loved by all his customers. Steven was one of a kind, he was always the life of the party, telling jokes even when he didn't feel well. Steven loved his son, Camryn and was proud of what an awesome young man he has become. He spent the last year hanging out with his nephew, Lane, they liked spending time together and keeping each other company. Steven was a very strong person, he went through so much in the last years of his life. Steven never wanted to miss out on anything. His favorite hobby was fishing, the family took a trip to the lake two weeks ago and he was the only one that caught a fish. Steven and his mother were very close and had a very strong bond and loved each other immensely. He will be missed by so many friends and family that love him. Steven will forever be in our hearts and memories. Rest in peace Steven. Preceding Steven in death were his dad, Gary James and grandparents, Edwin and Hazel Eudy.

Surviving him are his mother, Susan James; son, Camryn James; daughter, Miley Martin; sister Jaclyn Payne and Corlee; nephew Lane Creighton; and grandparents, Ted and Connie James.

A memorial will be held on Thursday, July 30, 2015, 11:00 AM, at Anderson

Bethany Funeral Home. Rick Hale will officiate.

Please take a moment to share your thoughts and memories with James' family in the online register at andersonbethany.com.

“ *We are so very sad to hear of another loss for the James' family. We first met Steven when I babysat for he & Jaclyn. He was 18 months old and Jaclyn was about 4. They were so precious and fun. I'll never forget trying to make him say Gilligan's Island. He would try so hard and it would come out Giggilan's Island - every time, no matter how slow we took it. He was such a blessing and kind hearted even at a young age. May God comfort you all.*

“ Steven was my date to homecoming. My friend. He Taught me how to drive my first stick shift. He Helped me grow up and become a woman. He Knew so many of my secrets. He Took me to prom.. Twice.. Made me laugh more times than I can count . He had the most outgoing personality and always had a joke to tell and let me tell you... I heard them all a dozen times . He was my first true love and even though our love was bitter at times it was strong. I will miss him dearly. I'm so lucky to have so many great memories to hold on to but the one thing I will hold on to with dear life is the best part of Steven.. Our son... Camryn. Through him Steven will live. Our son has grown into such a beautiful young man and We couldn't be more proud of of him. Camryn was the best gift I could have ever received from Steven . We will all miss Him and he will be remembered forever . Thank you God for sharing him With me for so many years... 17 years went by just too damn fast . 😞

“ I'm going to miss Steven so very much. At a new school during a new chapter of life, he was the only guy who befriended me when all the other guys wanted nothing to do with me. He kept me lighthearted, kept me laughing, and kept me on my toes. I will never forget those care free days of running around our neighborhoods, spending the night at his house, spending the night at my house, and just generally being the cool dudes we were (him more so than me). Steven was a bold guy and a great and true friend. I will never forget his friendship nor the impact he had on my life. Thank you, God, for bringing Steven into my life. Prayers of healing and peace for his family and all of his many friends.
