“ Steven will be greatly missed and never forgotten. His heart was genuine - a rare commodity, and he was full of passion and inspiration that was apparent to everyone. I cherish all of our cross country memories we shared from 5th grade all the way through high school. His determination was huge and contagious, and we never went without having a great time. I have been very saddened over the passing of Steven, but all of my memories with him are filled with nothing but joy. The Peck family has consistently been in my prayers and I will always be celebrating the life of Steven Peck...

“ Laura, Where can I start? I am so sorry for your loss..If you need anything please let me know...here is a little something that I found and I wanted to share it with you...

A Child Loaned

I'll lend to you for a little time, A child of mine," God said, "For you to love while he lives And mourn for when he's dead." "It may be one or seven years Or twenty-one or three, But will you till I call him back, Take care of him for me?"

"He'll bring his charms to gladden you And should his stay be brief, You'll have these precious memories To comfort you through grief."

"I cannot promise he will stay Since all from earth return. But there are lessons taught down there I want this child to learn."

"I've looked this world over, In my search for teachers true. In the crowds of this great land, I have selected you."

"Now will you give him all your love Not think the labor vain, Nor hate me when I come to call To take him back again?"

I fancied what I heard them say, "Dear Lord, Thy will be done. For all the joy Thy child shall bring, the risk of grief we'll run.

We'll shelter him with tenderness, we'll love him while we may, And for the happiness we've known, forever grateful stay.

But should the angels call for him, sooner than we've planned, We'll brave the bitter grief that comes and try to understand."

“ Steven, you will always remain in my heart. I will always remember the smile you had on your face that Wednesday Night, and the redness in your cheeks from embarrassment. I love and miss you Steven Lee Peck.

“ Oh Dear Steven you are so greatly missed already. You were such an amazing guy with a smile that could light up a dark gloomy room with one flash.. I have been tossing and turning every night just thinking why and how could this be? I know Gods will is not to question, but its hard not to when he takes someone so precious. I will always miss your texts to make me laugh on a bad day. With that said....

I feel a warmth around me like your presence is so near. I close my eyes to visualize your face since you can't be here. I treasure times spent together they are locked inside my heart as long as I have memories we will never be apart. Even though we can not speak your voice is always there. Every night before I sleep I hear you in my prayers. Never good bye my dear friend, but I will see you later.. God Bless your family and may he wrap them in his arms during this time in need for comfort. Love you always and forever I'll see you later then that's what you would tell me.. Maria
