Stoarmy, you will be always be remembered in our hearts. We love you and will always miss you.

I'm Free

Don't grieve for me, for now I'm free

I am following the path God laid for me.

I took His hand when I heard Him call,
I turned my back and left it all.
I could not stay another day
to laugh, to love, to work or play.
Tasks left undone must stay that way.
I found that peace at the close of the day.
If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Ah, these things I, too, will miss.
Be not burdened with time of sorrow,
I wish for you the sunshine of tomorrow.
My Life's been full, I savored much.
Good friends, good times,
a loved one touched.
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your heart and share with me.
God wanted me now; He set me free.

“ *"I thought of you today, but that is nothing new. I thought about you yesterday, and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which I'll never part. God has you in His arms, I have you in my heart."*

Still can't believe you're gone. I miss you more and more as each day passes. Rest in peace baby... Until we meet again. I love you.
