“ *Roberta, Anna, & Debbie, Our thoughts and prayers are with you during this sorrowful time. I remember when you all lived on Lea St. We would be on the stairs talking and your mom would come in and say "WHAT ARE YOU GIRLS UP TO NOW!" She was so nice and always made me feel at home. Take comfort that she is with THE LORD now and she is in a better place.*

“ *Roberta,Anna,Debbie / Tome & Lupe, Ladies, we send you our heartfelt sympathy for the lose of Chuey. It has been a while since we have seen you all, but we still remember you and have you all in our prayers. We did not loose Chuey, we gained an angel to watch over us and to keep us company every day. It is hard to lose someone special and loving, but remember that God has a plan for all of us. Keep in mind that now she is in heaven with our Lord and the rest of the family, just waiting for our time to go and join them. I know that God has his plans for each one of us. I just stop and think, and know that as long as God is in charge, we have nothing to worry about. This is so true and I think about this reading; 2 Corintians Chapter 5 Verses 1-5. I love the whole chapter, but the verses one thru five let us know that our Lord and Saviour is there for us. All our love and God's blessings be with you. In Christ and Our Lady Of Guadalupe. “ I will always remember Chuey by her great sense of humor, her sincerity and her love for other people. I enjoyed spending time with her during the summers when I was young and would go visit my grandma. She will be greatly missed!!!

“ I used to go visit my grandma every summer when I was little. I loved doing two things more than anything when I went n saw her. One was going to the zoo and the other was going to see Chuey. She was such a warm person to b around. Always smiling and joking. I haven't seen her in years but I never forgot how she was. She was an unforgettable person and I'll miss her deeply. I'll pray for her family. I love you Chuey. Take care of our Alfred.

“ We played this game:  
She would say, "I love you". I would say, "I love you more". She would say, "I love you first because I knew you before you knew me".  
I would smile, knowing once again my mother had bested me.  
She meant the world to me in ways no one, not even I, will ever comprehend.  
I will miss holding her hand while we talked and joked about the world around us.  
Her wit, humor and overall kindness I will cherish.  
I will remember the beautiful and difficult times we had... an outgoing, carefree mother preparing her cautious, introverted daughter for life.  
I will never forget and will always feel blessed she was my mother.
