Those left to cherish and treasure memories of Susan are her children: Daughter- Mandy Aragon and her husband Eric Aragon, Daughter- Katherine Peralta and her husband Marcelino "Macho" Peralta, Son- Jon-Michael Garcia and his wife Sarah Garcia and Daughter- Elizabeth Zamora. She leaves behind her treasured Grandchildren Evan Aragon, Serena Aragon, Ella Peralta, Charlie Peralta, Amelia Aragon and Bonnie Peralta. Susan had a gift for expressing herself through her love of arts and crafting. She decorated her home beautifully, decorated for weddings, hand crafted jewelry, made beautiful holiday wreaths, just to name a few. She enjoyed music, her favorite being Dwight Yoakam and Snoop Dogg. Susan loved sitting outside and enjoying warm weather while she watched the birds and butterflies fly by. She loved all her children and was very proud of the people they have become. She loved her Grandchildren with all of her heart and her legacy will live through them forever. She loved through service and was always offering care and showing kindness to those in need. Her smile and laugh were contagious and will never be forgotten. Susan was a child of God and attended Church on the Move in Roswell. At the end of Susan's days on earth she stated that she was not afraid of what was to come. Susan knew she'd live for all eternity in Heaven with the Prince of Peace when her time on earth was done. Matthew 5:4 "Blessed are those who mourn, for they will be comforted."

The family of Susan Garcia would like to extend their heartfelt gratitude to family and friends who have offered their support and sympathy through calls and visits. Also to those who loved Susan and offered friendship and kindness to her. Susan was one of a kind and will be truly missed.

“ My sincere respect & condolences too Susan's girl's, son Jon Michael & sister Gloria. I had the opportunity to work with Susan at the Boy's & Girl's Club. Oh how the children would be so happy when Susan would arrive. They all would be so content once Susan got to the Club. Marching up stairs one by one . Once Susan arrived she had a handful of the children sitting there patiently waiting & saying Ms Susan, Ms Susan, what are we going to do today? Can we paint, can we color, can we, can we; etc., etc. Before you knew it she had a room full of children doing a variety of different art 's and craft's.

Oh all with happy hearts that Ms Susan had arrived to work. Susan was such a patient woman. How she changed the life of many children when she began at the Boy's & Girls Club. She was truly a "God sent" when she became a part of Mr. Ray Baca's staff & the Club itself. Respectfully, Clara Fuentes. 🙏
Respectfully, Clara Fuentes.

“ I love you, Mom. I still can't believe that you're gone. Oh, how I wish I could turn back time, I'd hug you longer and remind you how amazing and special you are and that you are so loved. You once told me that you wish you could have given me a better life. If it wasn't for you, your love and our struggles, I would have never been the strong woman I am today. I learned that from you. I loved our life. Thank you for being an amazing Grandma to the girls. We will cherish all the memories we made together. The girls sure love and miss their Grandma Susie. I wish we could have had more time to make more memories together. However, I am thankful that you are with Jesus and free from pain and any worry. You are now living in heavenly peace and that is what brings me comfort. I promise to make you proud and to continue making memories with you in our hearts. You are always with us. We will have that cup of coffee one day in heaven mom. I love you.

“ *I met Susan thru another friend, when she and Donny were together, and Donny had a van that the four of us would go out riding around Roswell, with music and laughs, we'd go out to the old prices cafe and have a meal there early mornings , our daughters would later be attending the same elementary school, where they too became friends, that's around the time we had reunited and remembered our old cruising around town days/nights, she will never be forgotten, she was a child of God and she had no problem telling you how much she loved God and to pray for you was something she loved to do, I give my condolences to her children, her sister Gloria whom I had the joy in working with her at Villa Del Rey, and all her family and friends, Elizabeth my heart is in your hands sweetheart Rest easy beautiful Susan and keep watch over your loved ones....*
