“ *(Isaiah 57:1-2). Good people pass away; the godly often die before their time. But no one seems to care or wonder why. No one seems to understand that God is protecting them from evil to come. For those who follow godly paths will rest in peace when they die. Words of wisdom and comfort from a friend: If your aunt is a christian you should rejoice because she is going home to a place where there is no pain and glory all day long for the bad people who are still here they have sold their souls to the devil and their lives are only for a min in Gods eyes we want to live for eternity with God so rejoice because you will... see her again its called a HOME GOING not a funeral.. "GOD IS LOVE"...I love and miss you Aunt Susan.*
