A LETTER FROM HEAVEN

When tomorrow starts without me, and I'm not here to see if the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to

say. I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too. When tomorrow starts without me, don't think we're far apart, for every time you think of me, I'm right there in your heart.

“ *Sending my love and prayers out to the family of Jorene....*

I loved Jorene as a dear friend, and very caring person.

The strength and courageous she showed with her diagnosis and handling of her disease truly inspired me - she was so very strong!

I was very thankful we had her with us as long as we did - and she seemed to be feeling pretty good most of the time - I hope she truly was!

I was so very sorry when I heard she had lost her battle - but she fought so valiantly for so long!

Rest in peace dear Jorene -

Pam

“ *Jorene and I worked together for a few years, and in all that time never had a harsh word or disagreement. She was as understanding a person as there ever was and I considered her a friend. Jennifer Sanchez*

“ Jorene and I belonged to the same organization for many years. I remember her as a kind, loving and fun person to be around. Our little group had so many good times together. I wish to express my sympathy to her family for this great loss.
