“ We knew Terrence when we lived in Roswell, N.M. back in the 80's. We were just sitting around and talking about him like we always do, with fond memories. We decided to look him up to see if we could get a hold of him, to our amazement we found him in the obituaries. Now I know who it was that was looking after my husband, in his darkest hours, in 2009. We will never forget you our friend and we will see each other again some day. You are missed!!!! Your old buddies from Minnesota.

“ *Terreance Hoogerhuis came to me when he was just 18 years old. He became a member of the Roswell Rocks Boxing Club in 1986. Terreance had a special gift called, charisma. A dominating influence, he possessed a unique ability to quickly and effectively train and direct the inexperienced boxers. He had an unending ability to generate enthusiasm. Assertive, but Fair and impartial, he always encouraged the boxers to work hard to achieve their goals. I am saddened by his loss, he will truly be missed. Our condolences and prayers go out to the Hoogerhuis family.
