Footprints

One night I dreamed I was walking along the beach with the Lord. Scenes from my life flashed across the sky. In each, I noticed footprints in the sand. Sometimes there were two sets of footprints; other times there was only one. During the lowest times of my life I could see only one set of footprints, so I said, "Lord, you promised me that you would walk with me always, Why, when I have needed you most, would you leave me!"

The Lord replied, "My precious child, I love you and would never leave you. The times when you have seen only one set of footprints, it was then that I carried you."

“ I am so sorry for your loss. Terry was one of the nicest men I have ever known. He was also one of the hardest workers I have ever known. Terry did everything with joy in his heart and a smile on his face. Everyone looked forward to seeing him because we knew that he would have something encouraging to say. I pray that the Lord will give you peace and strength through this time. Terry will be greatly missed.

“ I am so blessed to have met Terry where we worked together at MTS. He sure loved his job picking up those dairies. I will always remember how GOD blessed me through Terry, the morning we talked. He told me his daughter Stacy was asking about me. Through Terry, me and Stacy began dating and soon after got married and had a lovely son Jeremiah. I am greatly honored to have such a wonderful father-in-law any man could ever ask for. I love him so much and will never forget him the rest of my day's! I learned so much from his wisdom and knowledge. I just wish I was not so stubborn to hear and apply what he tried to teach me. We will all miss him greatly! But I know we in Christ will see him again, that is the day we long for! Thanks to all who provided for the Kirby family in our time of sorrow and GOD bless you all!
