“ *My dearest Aunt Thelma, for whom I was named, I miss your sweet smile, gentle laugh, and kind words. The legacy you left us of living in the light of God's love and favor will remain with me always. Your devotion to God, and to your family and friends was unequalled, and a great influence in my life. Uncle Clarence was so lost without you after the big "A" stripped you of cognition and memory the last few years you were on earth. But we rejoice in the knowledge that you are now whole in every way, awaiting the day when the biggest family reunion we've ever had will take place! I can only imagine your delight in welcoming the most recent family member to join you, your son, James Albert. I can just hear you say, "Boo" as you jump out from behind an angel's wing to greet him. Wanda, Lenora, Pam, Suzette, your grands, greats, and great-greats, and ALL of us miss you and anxiously await the day when we gather 'round the throne of God and sing the praises of our Savior forever and ever - - HALLELUJAH!! Eternal Love from your niece, Thelma Pearl.*

“ *Uncle Clarence, Lenora, Wanda, James and families--I have such great memories of Aunt Thelma and being with all of you when I was growing up. Always loved Aunt T's sense of humor and fun. We once washed a pair of socks tucked into each other to see if Tide's commercial that it could get them clean was true--seems they did come clean! And she taught me how to can!! Loved looking at those jewel-like jars lined up in a row. Freezing food just wasn't the same. I love and miss her--but she's herself again--wonderfully witty and forever alive!! Can't wait to be with her and Daddy and all our other loved ones...what a day that will be!!*

“ Dear Uncle Clarence, Wanda, Lenora, James, & families, Thoughts & memories of Aunt Thelma . . . & of each of you, are close, deep, cherished, precious - always. Every memory I have of Aunt Thelma is sweet, fun, delightful, strong, loving & beloved. She flew Home so soon after Daddy, I can hear her voice & laughter, when she saw him: "Well, Robert! When did you get here?!" What I remember most about Aunt Thelma is her consistent sweetness - Christlike in attitude, word, deed, yet strong & firm too. Then that sense of humor, always ready with smiles, teases, laughter... AND a table game, to lure & challenge you, then most cheerfully win! (Willing to teach how to play better though!) She was a great Sunday School teacher too! What a lady! I'm blessed to call her Aunt AND FRIEND! Grieving for her & Daddy, I still rejoice that they are in the Presence of the Lord, free of this life's struggles, sorrows. ~James, I think of Sheila too, & of you in your loss. She was so sweet & pleasant. ~ I'm deeply grateful for every memory we all share. Aunt Thelma & you were such an important part of my growing up, with wonderful influence on me, then & now. Thank you one & all! You remain ever in my heart & prayers. Thank you for your prayers through the years, & for being there with all of us when Daddy took his Heavenly flight too. ~ Elaine & Steve
