“ Tom was our brother in Christ. We spent many hours with him discussing the Bible & life. We immensely enjoyed our times at Cowboy Camp together. The last few years we only saw him sporadically, but stayed connected thru social media. He was a kind, giving, loving man, that loved Jesus the most. He will be greatly missed.

“ Tommy and Johnny were like my nephews. His mom and dad were dear friends of ours. Ann was my best friend for many years until I moved away. I visited her in California and still spoke frequently until we lost her.

One day, years later, I was walking to my car out front of my sister's house. Suddenly a picket stopped in the middle of the road and two big guys jumped out! Of course, I thought what the heck when they started running towards me. It was Tommy and Johnny Cobb. I had not seen them in years and they said they were so excited when they saw me out in the front yard in Roswell! It still tickles me to this day!

I am 950 miles away so I will not be able to be there for the celebration of life, but I would really appreciate it if Johnny Cobb or someone would call me and let me know what happened. I texted with him on March 1 and he said he was doing good except for some minor medical issues. Thanks
