“ Tommy,

I was deeply sad to hear about your passing. I just want to say that I have many great memories about you throughout my life. Joseph called me the other day and I told him about your passing. He told me that you would often stay in contact with him through the years to check on him. We started to remember the times back when we were real young in Las Cruces and my mom went back to college at NMSU when you worked at the Corbett center on campus. We were only in 3rd grade at the time. We can remember my mom taking us down to visit you while you were at work. We were so happy when you came out to say hi to us with a big smile on your face. Always smiling. We would say yeah "That's our Uncle Tommy." That is how we knew you by. There is times when I can also remember you coming around my Grandma Montoyas house to visit my dad. We were always happy to see you. I just want to let you know that I always greatly appreciated you and that you will be missed. My condolences go out to your family. RIP TOMMY.

Always,

“ Tommy, Tommy, Tommy, my brother from another Mother... Breaks my heart Bro! Times changed and I'm sorry I couldn't do anything to help you, I wish that I could have. I guess God has mysterious ways of working... but He knows what is best for you so that you no longer have to suffer. Say hi to my Mom & Dad up there too... I'm sure you will. Many good memories bro; I will never forget your big heart and all of the help that you gave me when we were a young family. Thank you. God will Bless You. My condolences goes out to the entire Flores family for your loss...
