“ *My deepest sympathies on the death of your father and husband. Thomas and I visited often when he was at Casa Maria, we had developed trust between us when he became excited or didn't understand things. He shared his pride serving our country on several occasions. One day last November I asked him if he would like to lead the facility in the Pledge of Allegance for our Veterans Day Program, via intercom to the whole building. He beamed with pride and said "yes" He did so from my office. I was very proud of him.*
