“ *Hello Suzie, Cookie, and beloved family of Tommy Torrez. You have all been in our thoughts and prayers at this very sad time. Tommy was a WONDERFUL person, and held a heart-full of love for all of you. I can only imagine the loss you must feel at this time. I knew Tommy to be an honest and humble person, close to God, and always inclined to think the best of people. He persevered in the face of disappointment, and never lost the hope of good things to come. May you be comforted in knowing that his thoughts were always of you, and that he lived a good and decent life. God bless, Margie Trujillo*

“ Tommy, I lost contact with you over the past few years and did not know of your illness. I am now thinking of all the fun times we had in Roswell, at college in Portales and what a very nice and unselfish person you were. God is lucky he has you now. Pete Amancio

“ Susie, I am so sorry to hear about Tommy, I first met him in 1971 when I had first starting dating your uncle Stevie, that has been 36 years ago. You were a little girl but I remember how smart you were and Renee was in diapers. Tommy was always kind to me and I remember he had such a good sense of humor and was he a great dancer. I will always remember what a special person he was and how he thought the world of you. Love Ya, Aunt Lupe
