“ Tim and I met a little over 13 years ago, and though, I have to say, that he was not an easy person to get to know at first, once you got past his armor, he was a kind, empathetic guy. I know that he touched so many lives in our community and gave all he had to those he loved. He will be greatly missed. There will forever be a hole in our hearts and in our emergency department without him. God speed, my friend. Miss you already.

I remember Timmy so well. I used to babysit for Bill and Suedell a lot when all of their children were little. Timmy was such a cute little boy. He was always so full of energy and loved his family so much. I remember as the children got older, they lived in Francesville IN. His oldest sister Gwendolyn had a part in the high school play, and played a part that suited her well. As she was rehearsing her part, Timmy said " Aunt Brenda, Gwen is not acting, this is the real Gwen." Everyone laughed, he had such a good sense of humor. I love and miss him. I know he is in heaven rejoicing with all his loved ones. Rest in Peace Timmy until we meet again. Love to all his family.

I met Tim while working at ENMMC back in the mid 90's he was always so helpful to me. I would so tired and run down from running my legs off , see I worked in the kitchen area, his smile and kind words would make my day. He would even remember me after I had to quite working at the hospital. He would know at the hospital and away from there. very kind man. He will be miss but God needed his help to get things ready for us to see him again. So sorry for the loss. RIP Tim
