“ I'm very sorry to hear my friend had passed. I'll always remember Tim as we were back in high school. Always in a good mood and ready for anything. He had a deep respect for everyone and was one of the nicest people I ever met. It's funny, the last weekend I thought of a old rock band album I hadn't heard in over thirty years and went down to Hasting's to buy it. As I listened to the songs, I was reminded Of Tim and old times. I believe it was Tim saying good bye.
Good bye old friend
