“ *This was one of my favorite teachers & leaders of all time. I decided to look him up to write him a letter about all the ways he was so encouraging. He was my English teacher introducing me to The Great Gatsby. He loved coffee in the afternoon, Charlie Brown during the holidays, & when I was awarded a trip to Anaheim CA & we were on the plane & had landed, he sang Cheryl Crow-“this is LA”. He was one of my hero’s & made a way for me to have confidence in marketing, & life on our school trips! He inspired children.*

“ *I really liked Tim. I considered him my friend. When he worked at the Roswell Campus of ENMU, we would always joke about the harassment policy by saying, "Don't touch me", when we would see one another. He was a wonderful Registrar at the campus. My condolence to Sonia and the family. He and his sense of humor will be missed.*

“ Tim would always come and visit my father, Tom Grady. Tim and my dad would talk for hours on politics, stories about New Mexico and Harding county. I could always see Tim's Love for New Mexico and education. He was a great man who touched everyone's life. He will be missed, but my dad now has someone to visit with. Tim and his Family are in our thoughts and prayers.

“ *Sonia,
My heart cries for you and your family. My heart breaks to hear that Tim is no longer with us. As I think of Tim, all I can remember is his enthusiastic personality. He never failed to make us laugh at the Democratic Party, he was always doing everything and anything he could to help. I will miss him auctioning at the Christmas party and always making fun of me because I have 11\$ dollars, but mostly I will miss his welcoming smile that he has when anyone walks in the room. My heart and soul are with you Sonia in this very difficult time. I wish I was able to make his funeral. My heart hurts because I won't be able to go. I just want you to know that I am with you spiritually and I will be praying my heart out for you and Tim.
Love always,
Cene*
