“ *I love you all so much and I wish with all my heart that I could be there. I never thought of Tim as a neighbor, he was always my second dad.... No matter what we couldn't get away with anything without him knowing... I will always remember him watching his old westerns and reading his books. I know he's looking down and is so proud and at peace and I look forward to the day I can hug him again and tell him how much I love him...*

Be strong and courageous. Do not be afraid; do not be discouraged, for the lord your God will be with you wherever you go. – Joshua 1:9

“ To Tim's family, I am sorry for your loss. Tim was one of my early childhood friends when I lived on Bay Meadows Drive in Roswell. Though I was a year or two younger than Tim, I remember spending the night at the Rowland house on Rosemary Lane. The Rowland family was part of a very special neighborhood of kids. I am saddened to learn of Tim Rowland's passing.

Sincerely,

“ Arlene, I am so sorry for your loss. Tim was such a special person. When John and I moved to Roswell, Tim was one of the people who made us feel so welcome and at home. He and Don did so many things to help us during John's health problems. He was always fun to shoot with and to laugh and joke with. He will surely be missed by many.
May God Bless you and your family.

“ Tim was one of my earliest childhood friends and I always felt a part of his extended family. We were neighborhood playmates, 4th grade science fair partners and willing participants in the great big hole dig in a nearby vacant lot. I could always count on two things with Tim: if we were about to get in trouble, I knew he'd take at least half the blame, and if we somehow did something good, he'd give me more than my share of the credit. I will miss him immensely and send biggest love to Bette, Anna, Mike & Dan.
