“*Uncle Tommie, as I grew up knowing him, was a very close and dear friend of my dad and family. His love for animals and particularly his fondness for Dobermans is something that I remember. There was a long list of dogs that he took in a spoiled rotten- all from rescues. Growing up, my brother and I got the honor of helping to watch them when he was away. Max, Gretchen (Precious as my dad called her), Molly and her dysfunctional pancreas, Jordan, whom I sat in a waiting room with Uncle Tommie and my dad, here in Albuquerque, while she underwent surgery for Wobblers, Raven and lastly Gracie. He took all of them in and loved them as they should be, which I feel has helped foster my need to help animals as well, in my adult life.*

*Sunday dinners and holiday meals, Uncle Tommie was a staple in my parents home, always 30 minutes early and had some kitchen gift for my mom. (Lock n' locks, measuring spoons, etc.) He and I could talk about medicine as he was an LPN and I was either in nursing school or finished nursing school.*

*While people will argue that he was not "family," and correct not by blood, he was family to myself and my family. He was ever present at our family functions and will be missed at our family functions.*

*To Susan his niece and her family, I am so sorry for your loss, and please know that my thoughts and prayers are with you all in this time of significant loss.*

“ Tommie was a true Gentleman that will be dearly missed by all that knew him. I will miss our almost daily visits and his kindness. Truly generous in his life and his affection for his furry friends was so special. We all lost a very caring soul when you left us Tommie, we will miss you and cherish the times we spent. Rest in Peace my friend.

“ I am so sad to find out my Uncle Tommie passed away. He was a kind and wonderful man. When I was growing up my grandparents ( Delmar and Dorothy Chambers) raised me. Uncle Tommie always made sure I had toys and bikes like the other kids. For reasons that I am unsure of I have not seen him since my Mother passed away. He will always be loved and in my heart.
