“ I will always remember his sense of humor and making us laugh! He was always supportive and never judgmental, we could tell him anything without feeling judged. My heart goes out to the family while they are suffering this great loss. I love you all!

“ Tommy was like a dad to me, I hold dear many great memories but the thing that stands out the most was the unconditional love he shared along with his quick wit! He always had something funny to say (even when it wasn't so funny to all) he would bust out laughing and say "WELL....." Tommy will forever be in my heart.
