I Am Free Don't grieve for me, for now I'm free I am following the path God laid for me. I took His hand when I heard Him call, I turned my back and left it all. I could not stay another day to laugh, to love, to work or play. Tasks left undone must stay that way. I found that peace at the close of the day. If my parting has left a void, Then fill it with remembered joy. A friendship shared, a laugh, a kiss Ah, these things I, too, will miss. Be not burdened with time of sorrow, I wish for you the sunshine of tomorrow. My Life's been full, I savored much. Good friends, good times, a loved one touched. Perhaps my time seemed all too brief Don't lengthen it now with undue grief. Lift up your heart and share with me. God wanted me now; He set me free.
