Toribio had faith that Jehovah's promises would come true. He retired from Leprino after twenty plus years. He was funny, enjoyed making people laugh, hardworking in everything he did, friendly, a great father and grandfather, strong, loved to dress up and wear his baseball hats, enjoyed eating all the delicious food that his wife prepared for him, loved the ocean and going to the movies. His pride and joy were his children. He and his wife were inseparable, always showing love to one another, he had deep love and respect for his

siblings and aunts/uncles. He got along with everyone he met. His kindness and humor will be deeply missed along with his positive attitude. Our father was a man of strength, kindness, and love. He guided us with wisdom and always put his family first. He was not only our parent but also our teacher, protector, and friend, his humor, his lessons, his laughter, patience, and caring heart that touched everyone who knew him, and love will remain in our hearts forever. While we miss him deeply, we are thankful for the wonderful memories and the values he instilled in us. His legacy will live in our thoughts. Our father meant the world to us.

Special thanks to all his family and friends, Dr. Khorsand and staff, and all who crossed paths and showed him love and respect.
