Sorrow Helps Our Souls Grow

There's a lot of comfort in the thought
That sorrow, grief, and woe
Are sent into our lives sometimes
To help our souls to grow...
For through the depths of
sorrow Comes understanding love,
And peace and truth and comfort
Are sent from GOD ABOVE.

“ My grandfather was a great man. It is sad to see him go, but in a way, it is a relief as he as suffering. He lived a long and prosperous life. He showed me what it takes to be an man and take responsibility for my family as well as myself. He was always there for me and my 2 brothers, Rennie and Adam. Never did he turn his back on any of us, and for that, I am forever in debt to him. I love and will miss you dearly tata..Thank you for everything you did for me and I will see you again sometime.
