“ *We are very sorry for your loss. Our thoughts and prayers go out to the whole family of Val. We used to pick up Val at his apartment on Country Club Rd. to come to church. All the van drivers got to know him very well. He always had something funny to say. He will be missed. God has picked him and taken him home. We are thankful to have known him.*

“ A shock to suddenly lose my friend Val. He was a frequent visitor to my shop, and has been a pal for many years. He always was kind and courteous, a caring and sharing soul whom I shall miss. Many times after his appointments at Counseling, he would walk the short distance to my shop and spend a few hours chatting about life, neighbors, church, and drinking his Pepsi until it was time for him to catch the city bus to home. Farewell and Godspeed, my friend Valentine.
