Afterglow

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when day is done. I'd like to leave an echo whispering softly down the ways of happy times and laughing times and bright and sunny days. I'd like the tears of those who grieve

“ I have known val less than a year, and within that time she has made a massive impact on mine and my families lives. I just want to say she ment alot to us and for someone to impact someones life in such a short time means alot. She had the best attitude, and was always a pleasure to be around. I love her.....I am sorry my condolences to her family, God Bless her soul and May she never be forgotten.
