“ Valerie has been a friend and fellow member of Home Garden Club for many years. I first met Valerie when she was driving Marjorie various places and later enjoyed many happy times in their home. Valerie was a lovely, special friend and a truly wonderful person. She will always be remembered for her regal bearing, elegant style and lovely hats as well as her beautiful smile and kind manner. I have truly missed her at our meetings during her long illness and enjoyed our visits even during times she wasn't well. My deepest sympathy is extended to all her family during this sad time.

Sincerely, Daina Blount
