“ Dear Groseclose Family,
With my grandparents, Robert and Goldie Ross, I attended immanuel Baptist Church when I was a child and had the honor of meeting your mother and father. In gact, Mrs. Groseclose was the director of vacation Bible School when I attended. She was a lovely woman, soft-spoken and gentle and kind. I remember her with admiration. “ Aunt Faye was so special. I remember as a child at the family reunion on Jan. 1. One year, I kicked a football and broke the backyard light. I was so afraid she would be mad at me, and I was in tears when I told her. But she was great. She just smiled and said I owed her a chicken dinner. I was so relieved, I was afraid I'd be in big trouble. She has always been special to me, and know we will all miss her greatly, but Heaven is so much sweeter with her there. We shall see her one day soon. Love, Gwen

“ It was a pleasure to have known your mother for so many years and it was good to see Faye enjoying her life in Capitan and working with Jerry at the store. She never forgot a soul and made you feel so special when you saw her again. My sincere condolences for your loss. There is a great void that will never be filled with her absence. She was a great presence on this earth and is a greater one in heaven.
