“ Dear Gayla, my sympathies are with you and your family on the loss of your mother. I met her many years ago, when you and Clint were married. A very sweet lady. She is at peace, now, a star in the sky. I know you will miss her terribly. We love you. Susan

“ Hi Gayla,
I'm so sorry to hear about your mom's passing. Jess just called me to tell me she had seen it in the newspaper. I hope she went peacefully and wasn't in any kind of pain. I have such fond memories of your mom and she has crossed my mind several times since I've been out here. Give my condolences to the rest of your family and of course my thoughts and prayers are with you, Clint and the girls! Take care!

“ Your mom and all of you are like family to me and my family. I think of all the crazy times we all had growing up on Dorothy street. I have always felt like your mom was a second mom to me, I used to love sitting at the kitchen table listening to your mom and my mom talk. Verda was always there in her kitchen painting, drinking her coffee. Thinking of things to pick on Mel about.
We want you to know we feel your loss, we pray your pain and loss will be touched by the knowledge that she is in a wonderful place with everyone she loves and she is happy.
God bless all of you and know if you need anything or anyone we all are just a phone call away.
Love to each of you,
Tereica and the Gowens family
