“ Just learned of Shipmate Steele's passing. The Shipmates and Auxiliary Unit Members of FRA Lemoore Branch 261 send our Condolences to Patty and the Steele family. We knew Master Chief Steele as Todd, and miss him dearly. While we can no longer in this life see his smiling face, hear his laugh, or share his company, we know we will meet again, when our Final Orders are written. And having touched our lives, we carry a part of him within us, in our hearts and in our memories. We pray God's healing Grace flow over all who knew and mourn him, giving Comfort and Strength in this difficult time. FRA Lemoore 261 Chaplain sends.
