“ *Vicki,*
You are my bride and best friend and the emptiness left in my heart will never be filled. Time will never erase our 21 years together and I carry you in my heart now as much as I did the first time we met. As I struggle through each new day without you, I hope that you left this world knowing how much I loved you and cherished seeing your beautiful face and smile. I love you.

“ There are no words that can express the sympathies I feel for my friend.
Through this friendship, I was blessed with the opportunity to have twice spoken with Vicki on the phone. In my conversations with her and to hear her laughter, I was able to see the real inner beauty of this wonderful woman. My life is more enriched today for having had those opportunities.
May her soul now rest in peace!
