Mom: Sorry to say but it's all too soon, but our worlds are now separate. You are no longer in pain, no more worries and not alone. I promise Aiden will know the love, joy and pictures his great Granny had. I'll be ready to come if needed at once, a shoulder to cry on. You had an inexhaustible amount of love. Whatever I've done, always forgive me. Your daughter Tina.

I only knew you for 12 years but I love you very much and will miss you Great Granny. Love Lil Tina.

Grannie, we will miss you so much for the rest of our lives. You were a brave woman who gave all you had to your family to the very end. Now you are home, where you should be, looking at the face of Jesus, whom you praised and loved to the end. We love you, Camille.

Dear Granny, you will be deeply missed and forever loved, never forgotten and always cherished. Your passion for life and family will flow through our life lines till the end of time. It's neverGoodbye. We will see you again, Love your, Grandchildren.
